

Dear parents,

We are excited to have your children in the classroom! We realize we are sending home a lot of forms to fill out and return to the classroom. Please take this week to help us complete this process. We will especially be checking for the Field Trip permission form which is blue and for the Book in the Bag form which is orange.

Books in the Bag

Our class has a Spanish Reading Club. All students need to be part of the club. The Reading Club requires students to read one book a week. Parents look at the list provided in the plastic Ziploc and write their initials next to the book their child read. Next week we will start doing a book report for each book your child reads. Those students who complete their weekly book report correctly will earn points for the teacher's class store. At the end of the quarter, students will be able to use these points to purchase items from the teacher's store.

Permission slips for Books in the Bag went home today! Please sign form and return it with your child.

Please remind your children to read 20 minutes in Spanish at home and record the time in their PTA BOOK MARKERS.
